The Crusades: Bibliography since circa 2000 CE

Last Update: April 28 2019

This is a complement to the bibliography of literature on the Crusades (mostly in English) that I prepared in 2001 and updated in 2019. Since circa 2000 there has been major additional academic work and publication the crusades and I thought it might be interesting retain a list of publications since c.2000. Note that this is heavily focused on books rather than academic/journal articles.
